Testimonials

“

An amazingly skilled team & very patient with all my questions. When Loveable Larry the concreter, Isaac and I pegged out the house, I knew TSH were the builders for me. My obsession for a solar passive house was achieved with precisely solar north orientation, resulting in a comfortable home, excellent air flow, no aircon.

The Shed House crew were excellent to deal with. We had a concept of what we wanted and they worked with us to bring our custom build to life. We had them manage the project until the lock up stage and then we took over the rest of the build under Owner builder license.

Key Things To Remember

01 Concrete Slab or Suspended Floor

All of our designs can be built on either a concrete slab (flat sites) or suspended floor foundation (sloping sites). Our experienced team will help you determine the most appropriate foundation for your site and budget. Changes with our designer to best design a home that suits your needs and site requirements.

02 Kit, Lock Up or Turn Key

We offer Kit, Lock Up or Turn Key Building Solutions for your new project. Our Turn Key package includes Design, Soil Test, Energy Efficiency, Engineering, Council Approvals & Construction. A full list of the inclusions for each package is available toward the end of this document.

03 Base Estimates & Site Specific Costs

Our estimates are based on our standard range of inclusions and do not include any site specific costs such as Waste Systems, Water Tanks, Scaffolding or Service Connections. These costs are quoted relative to your design.

04 Custom Designs

Our concept plans are intended to help guide you with pricing and establish a base design for your new home. Your design package includes 3 full rounds of changes with our designer to best design a home that suits your needs and site requirements.

05 Material Selections

You are in complete control of how your new building is finished. Choose from a full range of internal and external material selections. Whether it's cabinetry or cladding, you have the freedom to choose a style that suits you. And No, you don't HAVE to have steel cladding.

06 Disability Access

As is required for all new homes in QLD as of 2024, the disability access requirements for your dwelling will be assessed on a site by site basis.

07 Display House

Our 90m2 Granny Flat (Ilkley 90) is available for inspection by appointment. Contact our team to arrange your inspection today.

08 Site Visits

After inspection of the Display Home, for serious enquiries we offer an obligation free site consultation to prepare your Preliminary Proposal.
