Testimonials

“

An amazingly skilled team & very patient with all my questions. When Loveable Larry the concreter, Isaac and I pegged out the house, I knew TSH were the builders for me. My obsession for a solar passive house was achieved with precisely solar north orientation, resulting in a comfortable home, excellent air flow, no aircon.

It's rare to find a company that excels in both craftsmanship and customer service, but TSH achieves just that.

The Shed House crew were excellent to deal with. We had a concept of what we wanted and they worked with us to bring our custom build to life. We had them manage the project until the lock up stage and then we took over the rest of the build under Owner builder license.
